

Vulcan Engineering Group

Vulcan Business Ethics Policy

Ethics; we will always operate with the highest integrity at the forefront of our industry.

Excellence; is our only acceptable standard – even then, we still strive for continuous improvement.

Effective; we are driven by a bias for Action.

Efficient; we seek the simplest and most assured solutions, for all of our challenges.

Ethical; we have sound morals and believe in what we do.

Empowerment: of our exceptional people is our ethos.

20/20 Vision; we will be a £20 (€25/\$30) million T/O Company by 2020; as one of the Key Companies, within the overall Vulcan Group.
