

VULCAN ENGINEERING LIMITED

An Introduction to
Your **NEW** 24/7 LIVE
Web Portal

Portal Introduction 200412.ppt

<http://portal.vulcan-eng.com>

The Vulcan customer portal puts
YOU in control of **YOUR** orders.

You can be confident that your
order has been received and is
being processed LIVE.

This presentation will show you how you and your customers can benefit from its use.

It will show you how to check our stock, place an order, check back orders, browse OEM data base and access to invoices and statements.

You are always
welcome to place
your orders the old
fashioned way.

But once you've experienced your 24/7 WebPortal, we're sure.....

You'll never look
back !

To get started, visit:

<http://portal.vulcan-eng.com>

And apply for a username and password.

[Back To Login Screen](#)

Adam

Paul

Steve

Our I.T. team
will create
your
account,
and link it to
your existing
Vulcan
account.

And e-mail you
your confirmed
security details.

Once you receive your details,
visit:

www.portal.vulcan-eng.com

And login with your details.

Welcome Message

This portal allows you to manage your purchase orders in **real time**.

We really appreciate your feedback. Should you have any comments, good or bad, please use the Contact Us section under Tasks on the left menu and we will investigate any detail as a priority matter.

News Feed

[American Expansion](#)

Vulcan Seals Inc are proud to announce our American Expansion, the establishing of our new facility.

This is your
welcome
screen, this will
alert you to any
news and
information that
is important for
you.
